

Invitation

Baltic Society of Regional Anaesthesia and Estonian Society of Anaesthesiologists are cordially invites You to take part in **IX Annual International Conference of Baltic Society of Regional Anaesthesia**, which will take place on **17...18. May 2024** in Kuressaare at Thule Koda, Uus street 20.

The conference is expecting for 150 participants mainly from Baltic countries. National and international speakers invited to give presentations on broad spectrum of topics.

The exhibition for medical companies will be organised during conference. We offer to the sponsors of the conference several possibilities to advertise the products before and during conference. Conference participation fee is 2000 EUR for sponsor and 1000 EUR for exhibitor.

Sponsor title includes

- The name and the logo of the company will always be accompanied with the title "Sponsor of the IX Annual International Conference of Baltic Society of Regional Anaesthesia";
- The name and the logo of the sponsor will be shown on the congress on the sponsor's page with the title "Sponsor of IX Annual International Conference of Baltic Society of Regional Anaesthesia". The size of the logo will depend on the resolution of the user's monitor, but will be clearly distinct from the logotypes of the exhibitors.
- The main sponsor can publish textual and pictorial information on the conference website. The amount of information is limited to an A4 page. The information will be located under the sponsor subpage.
- The main sponsor has the privilege to choose the position of the exhibition booth
- The main sponsor can exhibit video on the screen in main exhibition area

Exhibitor title includes

- Exhibitor booth, possibility to choose booth after sponsors
- Publication of the company's name and logo in the sponsors' section of the conference website (the size of the logo will depend on the user's screen resolution).

Should you be interested to support the conference, please contact dr. Juri Karjagin via e-mail juri.karjagin@kliinikum.ee

We kindly ask you to inform organising committee at first convenient time, but before April the 1st 2024.

Societies are grateful for cooperation during previous years and hope to continue fruitful collaboration.

On behalf of the Baltic Society of Regional Anaesthesia and Estonian Society of Anaesthesiologists,

Juri Karjagin, Estonia
Board member, Baltic Society of Regional Anaesthesia
President of Estonian Society of Anaesthesiologists

professor Aleksejs Mišcuks, Latvia
President, Baltic Society of Regional Anaesthesia
